Celebrity Cruises - History

In 1989 the Chandris family introduced the first Celebrity Cruises® ship – promising cruisers a new kind of vacation that would surpass all others in terms of service, value, sophistication, and exceptional quality. The inspiration for the "X" logo came from the Greek alphabet, as "X" is the symbol for the Greek letter "Chi," which is the first letter in the Greek spelling of Chandris. However, more than a reference to the Chandris family, the "X" now serves as the face of the brand. It is a powerful graphic emblem with strong recall, perfect in balance, harmony, and symmetry. The Celebrity "X" has always stood for one thing: First in Quality. The brand's understated elegance and superior service set it apart from the rest of the pack. Compared to other main line choices which continue to offer bigger and bolder, Celebrity continues to win loyal guests seeking a more sophisticated, comfortable experience. No other cruise can provide the personal service that Celebrity can – giving everyone the chance to feel enlivened, recharged, and reconnected with family and friends. From the special and stylish dining to the exciting destinations and breathtaking excursions to the relaxing and indulgent spa treatments, Celebrity Cruises® offers extraordinary moments, all part of your Celebrity Life.
