## HEALTH AND SAFETY INFORMATION

**Health Advisory:** Medical experts tell us the best way to prevent colds, flu and gastrointestinal illnesses- such as **Norovirus**- is to simply wash your hands thoroughly with soap and warm water after bathroom breaks and before eating. Norovirus symptoms include upset stomach, vomiting and diarrhea. Should you experience any of these symptoms, please visit the medical facility. We will take care of the consultation and treatment, if necessary.

**Food Advisory:** Consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food borne illness, especially if you have certain medical conditions.

**Body Camera:** For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.

## QUESTIONS?

Check the digital signage onboard for information on activities and events. You can also tune in to your TV, download our app or ask a crew member.
