

DAY 8 Friday, September 28, 2012

COLORFUL CHARLOTTETOWN IS BEYOND BRILLIANT.

If you were to paint a landscape of Prince Edward Island, no color palette would be vivid enough to do it justice. Canada's smallest province is famous for its intensely green hills, red sandstone cliffs and miles of red-sand beaches. Sounds like a page straight out of a storybook? That's because it is. Author Lucy Maud Montgomery was so inspired by the island's magical beauty that she chose it as the setting of her classic novel, *Anne of Green Gables*. The book takes place in the Victorian era, quite an eventful age for local history.

In the 19th century, Prince Edward Island was the fashionable destination for British nobility. Then in 1864, the capital city of Charlottetown hosted the inaugural meeting of the Canadian Confederation.

While in Charlottetown, visit the Province House and Founders' Hall to relive a historic conference. Discover the Green Gables house to recreate a beloved tale. Or make your own adventure at the nearby beaches and coastal dunes. Just be sure to leave time for a delectable feast at an outdoor café. Today's specialty: lobster and oysters.

Surprise Even Yourself.

- Get inspired. How can you not in a place with this much natural and artistic beauty? Keep a journal. Take a picture. Or just capture it in your mind.
- Search for the hole-in-the-wall. Sometimes you'll find it's the dives that serve up the most delicious grub. Be adventurous!

1. What's That TV Theme? Trivia

This is where all those hours in front of the big black box pay off! You'll be surprised how easily the lyrics of those catchy TV theme songs come back to you. Fun for all ages.

7:30 pm, Schooner Bar, Deck 6.

2. Battle Of The Sexes Gameshow

Men or women - want to know who's better? Join your Cruise Director's staff tonight and find out. Warning: It could get riotously funny.

10:00 pm, Colony Club, Deck 6.

NOTICES

Helpful Health Information – Norovirus

With seasonal viruses appearing in the United States, Europe and around the world, Royal Caribbean International, working in conjunction with the Centers for Disease Control, has instituted enhanced cleaning procedures onboard all its ships. You will likely see some of these activities during your cruise vacation. Medical experts strongly suggest that travelers pay close attention to washing their hands. The experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. Your cooperation and assistance is greatly appreciated.

United States Department of Agriculture (USDA) Warning

In ports of call, please remember to eat and drink safely. To avoid illness, drink only bottled water, carbonated beverages, beer or wine with no ice. Eat only cooked meat, poultry and seafood and avoid any dairy products and raw fruits and vegetables. Please be advised that guests are not permitted to bring any fruits & vegetables, meats & poultry, cut flowers or soil onboard or off the ship. Any violation of this policy may result in a fine. Thank you for your cooperation.

United States Public Health (USPH) and Center for Disease Control (CDC) Regulation Information – Animal food such as beef, eggs, lamb, milk, pork, poultry or seafood that is raw or undercooked significantly increases risk of foodborne illness to vulnerable and immunodeficient guests.
