DECEPTION

Channel 22

Genre Drama, Romance, Thriller

An accounting consultant, Jonathan Messer, while passing from one job to another, meets a charismatic, womanizing lawyer, Wyatt, who personifies everything the numbers cruncher wishes he could be. Over lunch one day, Jonathan inadvertently leaves with Wyatt's cell phone and when it rings, a seductive female voice invites him to meet at a hotel. Before he knows what's happening, he is inducted into an anonymous sex club, where beautiful women are just a phone call away. Wyatt encourages Jonathan to participate. At first Jonathan thinks he finally has it all but soon learns that Wyatt's motives were sinister to say the least. While Jonathan tries to extricate himself from this web of blackmail and intrigue, he finds himself the prime suspect in a woman's disappearance and a multi-million dollar heist.

Shown At: 9:00am, 12:00pm, 3:00pm, 6:00pm, 9:00pm, 12:00am, 3:00am & 6:00am.

NOISE

Channel 23

Genre Comedy, Drama

David is a successful lawyer who can't stand the fact that Manhattan is a place where it's too noisy to get a good night's sleep, listen to classical music, or even make love to his wife without disturbance. Every time David hears a car alarm going off, he swings into action. Adopting the guise of "The Rectifier," he engages in acts of vandalism that satisfy him, but which generate no end of grief from his wife. They also make him politically controversial when he provokes the ire of the city's mayor.

Shown At: 9:00am, 12:00pm, 3:00pm, 6:00pm, 9:00pm, 12:00am, 3:00am & 6:00am.

La Romana

La Romana is the third-largest city in the Dominican Republic and is capital of the southeastern province of La Romana, opposite Catalina Island. The name comes from a balance that was used to weigh merchandise for export. The city is a hub for a growing tourist industry with several nearby local resort spots, such as the beachfront Bayahibe, Punta Cana, Casa de Campo, and the growing number of Golf Resorts that surround the area. La Romana is not a typical Dominican town; instead, it is a company town, with the Central Romana Corporation owning the majority of the town. It is a town with nearly 100% employment, mostly in the tourism industry or with The Central Romana Corporation, the Free Zone (Zona Franca Romana), or one of the service businesses there. It is filled with beautiful beaches and many resorts and Hotels despite being only 100 years old.

Serious injuries and deaths have resulted from accidents involving the rental of mopeds or scooters. We strongly discourage their rental.

If you do rent a car or similar vehicle it is important that you know that traffic laws and the consequences of being involved in a traffic accident (including the possibility of being incarcerated) vary by country. You should familiarize yourself with these laws before renting a car.
