Helpful Health Information: Celebrity Cruises, working in conjunction with the U.S. Centers for Disease Control and Prevention, has instituted

enhanced cleaning procedures onboard all its vessels. You will likely see some of these activities during your cruise. Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illness is to simply wash your hands thoroughly with soap and hot water after restroom breaks and again before eating anything.

Inclement Weather: Please use handrails and keep to the right hand side of stairways. Use extra caution when walking on open decks as they may become slippery.
