If you have delayed luggage with the airline, please stop by the Guest Service Desk, Crystal Atrium, Deck 7, Mid or dial extension #00 so that we can assist you.

### Drinking

If you are 21 years or older, you may purchase\* or drink alcohol. If you are 18 through 20 years of age and you have the written consent of your travelling parents or legal guardian you can purchase beer or wine for yourself only when the ship is sailing in international waters (except in Alaska and Hawai'i, where you must be 21 years of age to consume or purchase alcohol of any kind.) You can obtain a consent form at the Guest Service Desk.

\*Guests are advised if they bring alcohol on board it will be kept in a secure area until the conclusion of the cruise.

NCL encourages the responsible use of alcohol and accordingly reserves the right to permanently or temporarily revoke the drinking privileges of any guest who violates NCL's Guest Code of Conduct or who is deemed a danger to himself, herself or others by vessel management. Continued abuse of alcohol while sailing and/or violation of NCL's alcohol policy may result in immediate disembarkation.

### Pre-booked Shore Excursion Info

To our guests who have pre-booked tickets, your tickets will be delivered to your stateroom on embarkation day.

### Smoking

Public areas throughout the ship are smoke free. If you want to smoke, we've set aside spots just for you. If you smoke cigarettes, you can smoke in your stateroom, on your balcony, in the casino, Topsiders Bar, Sky High Bar, the Great Outdoors after 5:00pm and designated outside deck areas. If you prefer pipes or cigars, you can smoke in the Sky High Bar. Please don't smoke around food venues, sports decks or

jogging areas, kids' pool areas and other designated non-smoking areas. Please do not throw cigarettes overboard. (We get complaints from the fish.) And please remember to never smoke in bed. If housekeeping finds cigarette burns on furniture, linens, towels or carpeting, damages will be charged to your on-board account.

## Jacuzzis & Pools

Glass & bottles cannot be brought into any of the pools or hot tubs, no children in diapers or pull-ups, including swimmers & no unaccompanied children under 12 in hot tubs.

## Sharp Containers

If you've got any type of needles to throw away, please ask for a special container from the Guest Service Desk or the Medical Center.

## Open Flames

Burning candles, incense etc. are not allowed.

## Service Charge

What's the deal with the service charge? A fixed service charge of \$12 per person, per day will be added to your onboard account. The reason there's a fixed service charge is an important one: Our crew (as are the crews on other cruise lines) is encouraged to work together as a team. They are compensated by a combination of salary and incentive programs that your service charge supports. On the final day aboard most cruise lines, it's a matter of finding all the folks who've waited on you hand and foot to tip them. Here it's one less thing to worry about. We really want you to love Freestyle Cruising and are certain every crew member will provide you with the high standard of service NCL is known for. In fact, we offer a best-in-class

ratio of approximately one crew member per stateroom, so you're sure to enjoy gracious service around the clock. If you have any concerns about the service you receive during your cruise, please bring them to the immediate attention of our Guest Service Desk Staff on board so that we can address any issues in a timely manner – before the cruise is over. Both NCL and NCL America have a structured Guest Satisfaction Program on board designed to handle any concerns about any service or onboard product quickly and efficiently. Our clear priority is to have the opportunity to resolve the issue when it happens, to everyone's complete satisfaction.

## Curfew

At 1:00am passengers under the age of 17-years-old must be out of public venues and in their staterooms unless they are actively participating in a scheduled activity or with a parent.

## Casino

You have to be 18 (and have ID) to gamble or be in the Casino. Sorry, but no winnings can be paid to any person or bets in violation. Also, drinks or glassware can't be taken out; pipes or cigars can't be taken in, but cigarette smoking is ok. Slot winnings of \$1200 and above could be subject to W2-G tax withholding.

## Restaurant Cancellations

To ensure each of our guests receive our best service, we can only hold your dinner reservation for 15 minutes. If you need to cancel, please do so by 5:00pm on the day of your reservation to avoid having the cover charge for up to two guests applied to your account.

## Environmental Hotline

The environmental hotline shall be used only to report actual or potential environmental incidents, spills, and concerns. Please call 1-877-501-5976, the ship's Guest Services Desk at 00, or e-mail to [Environmentalhotline@ncl.com](mailto:Environmentalhotline@ncl.com). All reports are confidential. Also please be advised that it is strictly prohibited to disembark the vessel with any food products.

## Safety Equipment

Please don't remove or meddle with any safety equipment onboard (such as smoke detectors or fire extinguishers). And, please follow safety instructions from the crew members.
