Let's Get Started

You can connect with any Wi-Fi enabled device such as your laptop, tablet and smartphone.

- On your personal device, connect to the Wi-Fi network named "royal-wifi"
- Open your preferred browser, navigate to any page, and the royal caribbean online home page will appear
- Click "REGISTER FOR A NEW ACCOUNT"
- Select a plan to fit your needs, complete the payment information, and click "NEXT STEP"
- Follow the prompts to create a username and password. Both are case sensitive.

You're all set!

As an added convenience, expanded Wi-Fi Internet service is available throughout the ship, keeping you connected no matter where you choose to relax.

Supported Browsers:

Firefox, Internet Explorer or Safari version 3 or higher.

Access Your Account

To log in to an existing account:

- Select "LOGIN TO YOUR ACCOUNT"

Forgot Your Login?

Remember, both your username and password are case sensitive. If you need further assistance retrieving your login information please contact Guest Services by dial 0.

Important Details for You

- You must have an active SeaPass account in order to purchase an Internet plan.
- Internet plans cannot be upgraded and a new one cannot be purchased until your current plan has expired.
- When purchasing an additional Internet plan, the system will ask you to register a new account. You may reuse the same username and password.
- Internet access ends at 8:00 am on the morning of departure.

Connection Speed:

Due to the nature of satellite communications at sea, there may be fluctuations in the signal from time to time or no signal connection due to weather, ship position, radio wave interference or other conditions.

- If a page does not load within a few minutes, log off and try again later.
