NOTICES

HELPFUL HEALTH INFORMATION - Medical experts tell us that the best way to prevent colds, flu or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. If you have (or have had in the past 48 hours) any of these symptoms, please do not go to the ship's Medical Facility. Instead, go directly to your stateroom and call Guest Services by dialing "0". The nurse on duty will then return your call for a complimentary telephone consultation or stateroom visit. Treatment may be provided on a complimentary basis.

DISCHARGE OF ALL GARBAGE INTO THE SEA IS PROHIBITED EXCEPT AS PROVIDED OTHERWISE - The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.

SMOKING POLICY - We have revised our onboard smoking policy, effective for all sailings departing on or after January 1, 2014. Under this new policy, all indoor public spaces will be smoke free, with the exception of the Casino. In the Casino, there will be designated smoking and non-smoking areas. Additionally, smoking will not be permitted in the staterooms or on stateroom balconies. Outdoor smoking areas will be designated on the starboard side. Please also note that smoking-like products such as electronic cigarettes or e-cigarettes are only permitted within the designated smoking areas.
