

SAFFRON

When saffron spice arrived in Scandinavia in the 1300s, the rare Asian ingredient was reserved as a luxury for special occasions. We consider every cruise special, so we use it beyond our Scandinavia and Russia sailings — every guest can enjoy it in our Pan-Fried Silver Corvina Fillet. Derived from handpicked flowers that yield only a very small amount of the spice, saffron is often priced at rates higher than the cost of gold. But the power of its distinct flavor to enhance nearly any dish makes it truly priceless!
