## Meet Captain Dino Sagani

Captain Dino Sagani was born in Trieste on the Northeast Adriatic coast of Italy. There he attended one of the oldest nautical schools in Europe, which has prepared deck officers since 1754.

After completing his studies, Captain Sagani joined the Italian Navy where he served on a minesweeper during the First Gulf War. In 1995, he came aboard with Princess Cruises, climbing the ranks to become Captain in 2007.

Since then, Captain Sagani has been in command of four different ships in the Princess fleet.

## By Captain Dino Sagani

Having sailed this region many times, I'm convinced it offers some of the most enjoyable locales you'll find anywhere. Like so many of the places Princess Cruises® visits, the Caribbean captivates visitors with an unforgettable combination of natural beauty, fascinating culture and colorful history.

The name of the Caribbean sea itself comes from the Carib people—the last group to rule the area before the arrival of the Spanish, Portuguese, Dutch, French, Danish and British. Remnants of this colonial history, and legends of piracy, beckon you to go exploring on some of the many available shore excursions. From the Bahamas to St. Thomas and St. Maarten, we have a lot to look forward to.

Our first port of call, Princess Cays, is a relaxing tropical paradise, and our own private destination in the Bahamas. This 40-acre resort invites you to bask on its white-sand beach, swim in its clear-blue waters and snorkel through its coral reef. You'll also find plenty of souvenirs at the Tropical Treasure and Bahama Treasure boutiques. I personally recommend the delicious barbecue at the Grill Crazy Pavilion.

After heading ashore, why not explore Royal Princess even further? I recommend heading up to the top deck and enjoying the ocean vistas from the SeaWalk®, our glass-floored promenade that extends 28 feet beyond the edge of the ship. Or grab a drink with a view at the unique SeaView Bar. No matter how many times you've sailed with Princess Cruises, you should feel fortunate to experience Royal Princess in her inaugural season—and I couldn't be prouder to introduce her to you!

As Captain of Royal Princess®, I'm honored to be your host and look forward to seeing you dressed to the nines at the Champagne Waterfall Reception in the Piazza tomorrow night.

## From the Navigator

Since departure from Port Everglades, Royal Princess set easterly courses into the North West Providence Channel. Once in the channel southeasterly courses took us through the North East Providence Channel to the Northern tip of Eleuthera Island. We then navigated along the coast of the island at a range of approximately 6 nautical miles to Eleuthera Point, where the anchors were cleared away ready for use. The ship's tenders were then made ready for our continuous tender service ashore.

With all onboard Royal Princess will set a southeasterly course heading for St. Thomas.

## Tendering Ashore

When you and your complete party are ready to go ashore, please proceed to the **Symphony Dining Room on Deck 5 Midship from 9:00am** onwards. The Cruise Director's Staff will issue tender tickets and direct you to the tender boats as they become available. Tender ticket numbers will be announced in the dining room only. Passengers on tours will meet at the time and location indicated on your Tour Ticket.

Please do remember that not everyone can go ashore at the same time and there will be delays during peak times, therefore we ask that you plan your day accordingly. We thank you for your understanding in this matter.

## Safety in Tenders

Today we will be taking you ashore by using the ship's tenders. For your own safety please read the Tender Safety Notice at the head of the gangway and familiarize yourself with the contents of the Emergency Instructions Notice posted in the cab of each tender. You are reminded that there must be No Smoking whilst in the tenders and that to avoid risk of injury, you must keep your hands and arms off the side of the tender as it comes alongside the ship or wharf. It is important that you follow the instructions given by crew members and that you remain seated whilst in the tenders. Do not get in or out of the tenders until instructed to do so by the ship's staff.

**4:00pm - Last tenders leaving shoreside! Royal Princess sets sail shortly after.**

**Time Change** – Ship's clocks will be set one hour forward at 2:00am between Monday night December 9th and Tuesday morning December 10th.
