The Officer's Daily Log

Meet Hotel General Manager Dirk Brand

Dirk Brand was born and raised in Germany. He completed an apprenticeship in Hotel Management, served with the Air Force in Italy and gained experience in the hotel industry before beginning his career at sea.

In 1998, Dirk joined Princess Cruises as Senior Assistant Food & Beverage Director aboard Grand Princess. He has been Hotel General Manager on several ships in the Princess fleet as well as aboard Cunard's Queen Mary 2. When Dirk was appointed to launch Royal Princess in 2013, he considered it the crowning point of his career.

At home in Spain, Dirk enjoys spending time with his beautiful wife Loredana and his son Luca. He also enjoys sailing, swimming and reconnecting with family and friends.

By Hotel General Manager Dirk Brand

Helping you escape completely® is the role I'm privileged to play here on board. If you're seeking a comfortable place to unwind, I recommend reclining in the padded lounge chairs and allowing yourself to be pampered by attentive Serenity Stewards at The Sanctuary. That's our on-deck oasis, exclusively for adults. Or you may prefer a relaxing massage or invigorating workout at the Lotus Spa® and Fitness Center.

Of course, there are also plenty of entertaining things to do on board Royal Princess®. For sports enthusiasts, there's the Center Court near the top deck aft, plus a laser shooting range and a new variation on the at-sea jogging track. Others are drawn to the great deals you can find at our art auctions as well as our tax- and duty-free boutiques. Many stop by the Internet Café to keep in touch with friends and family back home or to read our blog at linkedbythesea.com. Those who want to learn more about Royal Princess can take the free self-guided Art & Architecture Tour by scanning QR codes found throughout the ship, by going to royal.princess.com/art01 or by picking up a flyer at the Art Gallery on Deck 7.

Whether it's livening the afternoon with a friendly trivia contest or keeping the excitement rolling in our casino, we're all here to make your voyage unforgettable. And each of us on board is proud of our role as The Consummate Host®.

From the Navigator

Since departure from St. Maarten Royal Princess, set a northwesterly courses were set past the East, Middle and North Caicos Islands and onwards passing the island of San Salvador en route to Port Everglades, Florida.

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

Did You Know?

The draft (or draught) of a ship's hull is the vertical distance between the waterline and the bottom of the hull (keel). In the Princess fleet, the draft ranges from 19 to 28 feet!

Time Change – Ship's clocks will be set one hour back at 2:00am between Friday night December 13th and Saturday morning December 14th.

How will you escape completely?
