#### NOTICES

**Helpful Health Information:** Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person to person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a complimentary consultation and treatment if necessary.

#### Alcohol Policy

Ship's personnel may request verification of a guest's age to verify they are of age to consume alcohol pursuant to this policy. The minimum drinking age for all alcoholic beverages on Royal Caribbean International ships sailing from South America, Europe, Asia, Australia and New Zealand is 18. Guests who violate any alcohol policy, including but not limited to underage drinking, providing alcohol to minors or young adults, engaging in alcohol drinking games, or failing to consume alcohol responsibly, will be considered for discipline under the provisions of this policy.

#### Corkage Fees

Wines and Champagnes consumed by guests, which have not been purchased from the onboard wine list or through the Gift and Gear Program, any shipboard restaurant, bar or dining venue shall be subject to a Corkage Fee.

#### PREPARE TO BE WOWED

Introducing Quantum of the Seas: Royal Caribbean's newest ship takes cruising to an entirely new level with all-new firsts, like a skydiving simulator at sea, bumper cars, and the North Star, a glass capsule that ascends 300 feet over the sea! Be the first to experience this ship when it sails Fall 2014 from Cape Liberty, New Jersey.
