IMPORTANT INFORMATION

Please be advised of the following Camp Carnival® policies regarding medication administration, isolating illnesses, hourly limitations and unruly behavior:

- Carnival strives to keep a fun and safe environment for the children. The Camp Carnival Staff is eager to provide your children with a fun memorable vacation. In the event your child requires regular medication while attending Camp Carnival, parents and/or legal guardians must return to administer that medication. If a child becomes unruly or ill as a result of parents and/or legal guardians not returning to administer medication, the child will not be permitted back into the program. The Camp Carnival Staff may not store or administer any medication and/or needles to any child participating in the Youth Activity Program; only epi-pens, nebulizers, diabetic testing equipment, and inhalers will be allowed in the playroom. In the event of an emergency, and if the child cannot self administer the medication, the Camp Carnival Staff will call the on board medical personnel for assistance. The Camp Carnival Staff has been trained to use epi-pens in the case of an emergency. We appreciate your cooperation and adherence to our policy.
- In the event that a child becomes ill during the cruise with an isolating illness or condition including symptoms of a contagious nature, Youth Programs will require a written clearance from the Ship's Physician before the child will be re-admitted to activities.
- The Camp Carnival Activity Program is available everyday for long hours at no charge. Although we offer select meals on most days, we strongly encourage parents to collect their children for meals. Additionally, to ensure each child's maximum enjoyment of Camp Carnival, and to avoid fatigue, we suggest each child have a rest/break between attendance periods.
- Unruly behavior will not be permitted in Camp Carnival. The Camp Carnival Staff reserves the right to remove and exclude from any further Camp Carnival participation any child demonstrating behavior, including but not limited to biting, fighting, hitting, throwing, kicking and foul language.

Please note that these policies have been developed as a result of prior experiences on board. We hope that this will answer many of your questions regarding these issues in advance. Camp Carnival looks forward to sharing your vacation with you. We hope that this cruise will be a very enjoyable and memorable experience for your entire family.

All Camp Carnival® activities are smoke and alcohol-free! Parents, please do not bring any cigarettes/cigars or alcoholic beverages to any Camp Carnival activity.
