

AS YOU DEPART...

It has been a pleasure to have you onboard with us! As you look ahead to disembark the ship tomorrow, please consider these options:

- **Option 1 (SELF ASSIST):** Our most popular option. If you wish to be amongst the first groups called to exit the ship, you may participate in our Self Assist option. Bear in mind, that you will need to physically handle all of your bags and that there may be escalators, stairs and lines to contend with. Self Assist will begin at approximately 7:30am for approximately one hour and fifteen minutes until 8:30am.
- **Option 2 (RELAXED DEBARKATION):** If you wish to enjoy a little more time on the ship tomorrow morning, please take advantage of our Relaxed Debark by simply leaving your bags outside your stateroom by midnight. Housekeeping will deliver your bags to the terminal while you enjoy a last cup of coffee with us.

Whatever approach you take, we want to thank you for sailing with us and wish you a safe journey home.

Here are 5 quick steps that will make your debark process easy...

STEP 1 - THE NIGHT BEFORE

- Review the Cruise Director's Debarkation Talk on channel #13 in your stateroom television.
- Remove all used Carnival luggage tags and attach a new Zone Luggage Tag (blue in color) on every piece of luggage. Keep the tear-off section as a reference. Extra luggage tags are available upon request from your stateroom steward.
- If you decide to choose option 2 (Relaxed Debark) place your bags outside your stateroom between 8:00pm and Midnight this evening.
- Please remember to keep some clothes out for tomorrow's departure and hand carry any important personal items such as medication, valuables, travel documents, etc.
- If you choose option 1 (Self Assist) please keep your luggage in your stateroom until you leave the following morning. It is not necessary to place the Zone Luggage Tags on your luggage.

Please be sure to have this information handy to assist you with debarkation.
