Wine: A Fit for Every Fancy

At Celebrity Cruises we believe that no meal is complete without the perfect wine. Perfection, of course, is in the eye of the beholder, but with over 480 wine labels fleet wide – far more than any other cruise line –, we are sure you will find your perfect match.

It is our mission to have the best wine lists at sea. We have spent many years working with wineries from around the world to add depth and value to our lists for our guests' enjoyment. Our Rare Wine list boasts over 50 unique and extremely rare bottlings... some valued in the thousands. Our Wines by the Glass program highlights premium international selections that represent each region's best varietals.

Cellar Masters

Inspired by the vineyards of Napa Valley, Cellar Masters brings to life the experience of a global wine tour featuring an ample variety of wines from around the world. In this unique onboard environment, you'll discover new wines, receive recommendations and enrich your world of wine knowledge. Events include the "Walk Around The World" wine tasting where participants can try wines from six different countries, as well as our signature "Riedel Workshop", which will alter your perception of wine enjoyment forever. Check your daily program for times and additional wine events.

Cellar Masters Lounge also features the "Enomatic Wine Preservation & Serving System". Enomatic systems dispense wine directly, in a multi-portion fashion directly

from the bottle using inert gas preservation. The flavors and characteristics of the wine remain intact as if the bottle was just opened. In Cellar Masters we offer sixteen red and eight white wines to sample, in addition to the 30 eclectic wines by the glass.

More Fun Eclipse Beverage Facts:

- Do you know what "terroir" is? Find out in our informative wine blending seminar held in the Cellar Masters Lounge.
- Blu features the industry's first "green menu", highlighting wines from around the world from vineyards that have made the commitment to go organic.
- Do you like Italian Wine? Visit Tuscan Grille for an authentic experience in food and wine. The wine list includes over 100 different Italian labels.
- Dine at Murano to partake in the Five Senses food and wine pairing – a five course meal with its own distinctive wine pairing for each course.
- Michael's Club boasts an exclusive Rare Cognac collection as well as an extended array of high-end quality tequilas and rum.
- The Lawn Club offers domestic microbrews, diverse import beers and pitchers of Margarita's or Mojito's.

Celebrity Cruises welcomes you to any of our luxurious restaurants, bars and lounges and invites you to come and enjoy a glass for yourself... cheers!
