

Dear Celebrity Eclipse Guest,

I am writing to provide you with important information regarding Celebrity Cruises smoking policy that was revised in April, 2008.

As of October 1, 2008, Celebrity Cruises smoking policy does not permit smoking in staterooms, corridors or on stateroom verandas. The new policy, created after Celebrity surveyed previous guests, will result in a cleaner, fresher and healthier environment on our ships.

The policy also reduces the number of indoor public areas in which guests can smoke on board. These are the designated smoking areas onboard Celebrity Eclipse:

- Portside of Sky, our observation lounge on Deck 14.
- Portside of the Pool Deck, Deck 12
- Starboard side of the Sun Deck, Deck 14
- Deck 5 portside, promenade, midship – where chairs, tables and ashtrays are provided
- Sunset Bar, starboard side, Deck 15 aft.

This is the recommended area for Cigar and Pipe smoking.

Please use the allocated ashtrays in the above areas.

Thank you for your understanding and cooperation in observing our new smoking policy. Should you have any additional questions or concerns, we will be happy to assist you. Please refer to our Guest Conduct Policy for further information related to enforcement of the smoking policy.

Sincerely,

Captain Panagiotis Skylogiannis  
Master  
Celebrity Eclipse
