### Miami, Florida

Miami is located in southeast Florida, between the Everglades and the Atlantic Ocean. Miami's nickname, "The Magic City", comes from its rapid growth. Winter visitors remarked that the city grew so much from one year to the next that it was like magic.

No other city in the United States is like Miami. Since its incorporation in 1896, Miami has grown tremendously. The city has gone through times of turmoil and triumph. However, its increasingly diverse population has been able to turn a tourist-oriented city into a glowing, cosmopolitan, international metropolis.

#### Brief History

Miami holds the distinction of being the only major city in the United States founded by a woman, Julia Tuttle, who was a local citrus grower. The Miami area was better known as "Biscayne Bay Country" in the early years of its growth. Julia Tuttle subsequently convinced Henry Flagler, a railroad tycoon, to expand his Florida East Coast Railroad to the region. Miami was officially incorporated as a city on July 28, 1896 with a population of just over 300.

After Fidel Castro rose to power in 1959, many Cubans sought refuge in Miami, significantly increasing the population. In the 1980s and 1990s, various crises struck South Florida - among them, drug wars, Hurricane Andrew, and the Elián González case.

Nevertheless, in the latter half of the 20th century, Miami became a major international, financial, and cultural center.

#### Highlights

Miami is celebrated for its white sandy beaches, azure waters, tropical breezes, sunny skies and dazzling year-round weather. The city features tantalizing cuisine, pulsating nightlife, endless shopping and exhilarating outdoor activities. Highlights include

- Miami MetroZoo: Miami's state of the art animal kingdom.
- Miami Seaquarium: 35-acre oceanarium that features killer whales, sea lions, dolphins and sharks along with many other salt-water species.
- Jungle Island: offers shows and exhibits featuring tigers, orangutans, reptiles, talking parrots and other wildlife.
- Vizcaya Museum and Gardens: this extraordinary European-inspired estate includes a native forest and a historic village, all on ten acres of gardens that overlook beautiful Biscayne Bay.
- Everglades National Park: take a guided airboat tour to spot alligators, soft-shelled turtles, and exotic wading birds.
- South Beach: world-famous, this section of Miami Beach features the "Art Deco District", a community of 1920s and 1930s architecture. This historically restored section of the city is the center of Miami's nightlife.

Whether you choose to dance the night away, enjoy mouthwatering new taste-sensations at a local gourmet restaurant, take in an exciting sporting event, get a taste of the arts, embark on a shopping adventure or simply lay on the beautiful beach... your time in Miami is sure to be full of fun-filled activity.

# Important Disembarkation Information

## Comment Cards

Your feedback is very important to us. Please complete the Guest Questionnaire that has been provided in your Stateroom. Once you have completed the Guest Questionnaire, we ask you that you place them in the drop off boxes located at the Guest Relations Desk on Deck 3, outside the Oceanview Café on Deck 14, or on the gangway as you depart the vessel. Leaving them in your stateroom will deem the questionnaire invalid.
