## The Officer's Daily Log

### Meet Maitre d'Hotel Neville Saldanha

Neville Saldanha was born in Bombay, India, known today as Mumbai. His passions for world history and experiencing new cultures led him to pursue a career first in the airline industry, then aboard cruise ships, where he's found his home away from home with Princess.

As fate would have it, our proud Maitre d'Hotel met his wife Elzbieta at sea. The couple now live with their children in Gdansk, Poland, where Neville can often be found gardening or working through his wife's "to do" list.

### by Neville Saldanha, Maitre d'Hotel

Although visits to our exciting ports of call offer the chance to sample new and interesting local cuisine, we're always ready on board to provide you with plenty of fresh and flavorful options throughout the day.

For an early start, consider using your breakfast card for in-room service. For a quick snack, look for our soft, fresh-baked cookies and ice-cold milk on deck. Later in the day, you can always recharge with Neapolitan-style pizza at our Pizzeria or burgers and fries at our Grill.

In Oranjestad, Aruba, you can catch a glimpse of the variety of life under the sea from a glass-bottom boat – without getting wet! However, if swimming and beach time are what you crave, this is one of the greatest islands in all of the Caribbean to take part. Of course, you can also have a magnificent time ashore at one of Aruba's most popular attractions, the Butterfly Farm, where these delicate creatures fly fearlessly from flower to flower all around you. Have a wonderful time, but please keep the environment in mind as you go ashore, and either carry a reusable water bottle or recycle any plastic bottles you may use on land. And please don't throw anything into the ocean!

I'd like to leave you with one more suggestion to enrich your experience during this cruise. Whether you're celebrating a birthday, anniversary or just a change of scenery, our Ultimate Balcony Dining provides a memorable breakfast or a four-course dinner with dedicated wait staff in your stateroom. In addition, I highly recommend Sabatini's<sup>SM</sup>, which offers Italian fine dining, or our New Orleans-style restaurant, the Bayou Café & Steakhouse. All three options are available for an additional charge. Please dial 3463 for a reservation.

### From the Navigator

Overnight, we continued on our South Easterly heading and early this morning we will make our final approaches towards Aruba, before boarding our local pilot who will assist in navigating the vessel the remaining 2 nautical miles towards our berth in the capital city of Oranjestad. Aruba, alongside Curacao, Saint Maarten and The Netherlands are the four countries which form the Kingdom of the Netherlands. This evening, with all passengers onboard, we will let go our lines and manoeuvre out of the harbour, before altering course to starboard and setting Westerly courses towards our next port of call, Cartagena.

### Independent passengers going ashore shortly after arrival

For your comfort and safety passengers wishing to go ashore shortly after our arrival in Aruba will be asked to assemble along Fiesta Deck 6 on the outboard side adjacent to the Facets Shop, Casino and Photo displays area. This staging of our passengers is necessary in order to ensure which ever gangway becomes operational we are able to direct you to the nearest exit point of the vessel.

### Mobility Assistance Station

Passengers utilizing wheelchairs, scooters or using walking frames will be asked to meet at the La Patisserie Bar, Plaza Deck 5. Please note that upon arrival when the gangways become heavily utilized you may experience a delay in disembarking.

### Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government-issued picture ID with you before leaving the ship as you may be required to show this at security checkpoints upon your return. Do not accept or bring onboard any parcels or packages from strangers. Before boarding, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.

## Shore Excursions: Tour office hours: 7:00am-8:00am & 4:00pm-7:00pm – Plaza Deck 5 Midship

**Aruba tour departures:** Check your tour tickets for meeting time & place. Tours today either meet ashore on the pier or in the Bordeaux Dining Room & Wheelhouse onboard.

**Port Information:** The town is approximate 10-15 minute walk away and shuttle will be available from the pier to port gate and taxis are also readily available outside the terminal. Craft vendors, washrooms and a local Tourist Information Desk offering maps & other information, can be found inside the cruise terminal.

**Cartagena:** The city is large with big city traffic and the official language is Spanish. Rather than haggling for taxi transportation, a guided group tour booked onboard offers peace of mind for our half day visit. Watch channel 42 for the port talk with Chris Roberts.

**Panama Canal:** Only passengers booked on Princess Shore Excursions will be allowed to get off the ship once we finish crossing the first set of locks and arrive in Gatun Lake. So why see less than 10% of the canal twice, when you can take a tour and see the other 90%?
