Helpful Health Information Medical experts tell us that the best way to prevent colds, flu or gastrointestinal illnesses – such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after toilet breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the US Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a consultation and treatment if necessary.

Junior Cruisers There is a curfew for all of our junior cruisers (under the age of 18) not accompanied by a parent or guardian as of 1:00 am. Junior cruisers participating in programs provided by the Adventure Ocean or Teen Staff onboard are an exception. This curfew is in place for the safety and enjoyment of all our guest onboard.
