From the Navigator.

This morning sees Queen Victoria at anchor off the Channel Isle, Guernsey and the port of St Peter's Port. The ship's tenders will be utilised to take guests the short distance to the shore. Later this evening we will weigh anchor and set courses to cross the busy traffic separation schemes as we head north east towards Southampton, where we will embark the local pilot off the Nab Tower and proceed inwards, passing the Isle of Wight to port and Portsmouth to starboard.

Sailaway Celebration.

Join DJ Giancarlo, International Party Band, Nexus, and the Entertainment Team as Queen Victoria sets sail from St Peter Port.

Enjoy this special occasion with music, new friends and a truly memorable view.

From 5.15pm, Lido, Deck 9, Aft, C Stairway

At Anchor off St Peter Port, Guernsey.

Arrival Time: 8.00am. Last Tender Back To Queen Victoria: 5.30pm.

With its cobbled streets and picturesque seafront marina, it is easy to see why St Peter Port is considered one of Europe's prettiest harbour towns. Guernsey's capital has been a busy port since Roman times. Castle Cornet has stood guard over the town for 800 years. St Peter Port's centrepiece is its beautiful church, which is believed to be the closest church to a pub in the British Isles. If you want to learn more about the island's history, head to the Guernsey Tapestry at the Gallery in St James Concert Hall, wander through the beautiful Candie Gardens or explore Hauteville House, home to French writer Victor Hugo. If you would rather just take it easy, explore the boutique shopping, then sit back and relax with a coffee or bite to eat and watch the world go by. The High Street has retained much of its charm with small boutiques and gift shops jostling for space alongside larger branded stores. St Peter Port may be small but it is perfectly formed and the shopping in Guernsey offers plenty of choice. There are many family-run businesses, which means that no two shops are the same. The town really excels in the variety it offers, especially if you venture towards the outskirts. The Old Quarter is an eclectic mix of antique shops and locally made craft shops where you can find a lovingly made memento of your holiday or a treasured gift.

Any guests wishing to dress more casually are welcome to dine in the Lido buffet on deck 9 and can relax in the Winter Garden, the Yacht Club and the open decks. However please do not use other areas within the ship, including the Verandah restaurant and our Alternative dining restaurant, out of respect for fellow guests and for the ambience of the evening. We ask guests to refrain from wearing swimwear and dressing gowns outside the spa and pool areas.

Cash out reminder.

For all our players disembarking tomorrow in Southampton, please remember to cash out all of your casino winnings, chips, and slot machine credits before the casino closes this evening, as this will not transfer automatically to your on board account.

Guests disembarking and settling their accounts in cash will need to visit the Purser's Office anytime before disembarking tomorrow, Saturday, 5 May to finalise their accounts. However cash for cash foreign exchange transactions will be available up until the time of disembarkation.

Safety in the tenders.

For your own safety please read the 'Tender Safety Notice' at the head of the gangway and familiarise yourself with the contents of the 'Emergency Instructions Notice' posted in the cab of each tender. It is important that you follow the instructions given to you by the ship's staff and that you remain seated whilst in the tenders. Do not get in or out of the tenders until instructed to do so by the ship's staff. Sea conditions, access to tenders or access facilities ashore may preclude persons with mobility difficulties from going ashore by tender. These conditions may change during the course of the stay. With your safety in mind, the decision to permit or prohibit guests from going ashore will be made on each occasion by an officer delegated by the Captain. That decision will be final.

Important notice when using the tenders.

To use the tender you must have independent mobility. By that we mean that you must be able to negotiate the steps, the gap and the height difference. There will be crew members there to guide and steady you as you embark, but they cannot support, carry or lift guests on board the tender for safety reasons. There will be no exceptions to this. We will allow collapsible scooters and motorised wheelchairs in tenders. However, the equipment must be in its collapsible state before entering the queue for the tender. Please note that the crew are not able to assist with the collapsing or lifting of the scooters and motorised wheelchairs. The guest or travel companion must be able to manage this alone. We ask that you please keep this in mind when booking your excursions or making plans to go ashore in these ports.

Returning of Library books.

All guests who are disembarking Queen Victoria tomorrow are kindly asked to return their library books by 4.00pm today.

Safety and security ashore.

Whilst we do not wish to restrict your movements ashore today, we do suggest taking the following precautions:

- Do not stray from the main tourist areas.
- Do not wear any jewellery that is likely to attract attention.
- Be careful to secure personal possessions in pockets, wallets and handbags as pickpockets can operate in all cities.
- We advise you to be careful if you are taking any high value items, including cameras ashore.
- Maintain an awareness of your surroundings at all times.
