The temperature within your stateroom/suite may be adjusted to suit your preferences by setting your thermostat. To keep the stateroom/suite temperature constant we recommend keeping your balcony door closed whenever possible.

Fire safety.

We kindly advise that the use of candles and irons is strictly prohibited in your stateroom/suite. Please do not leave chargers or other electrical items switched on and unattended. You must switch off and unplug all electrical items when leaving your stateroom/suite and when retiring for the night.

Hand antibacterial units in the Lido.

We encourage all guests to assist us in maintaining a healthy ship by using the hand antibacterial before proceeding into the buffet area. Dispensers are located at the entrances to the buffet area.

Jogging and power walking.

For those guests wishing to power-walk or jog, one lap around the outside Promenade on deck 3 equals 1/3 of a mile. The track is protected from the weather at the forward end. Please only power-walk and jog on deck 3 after 7.00am and before 8.00pm, as it disturbs guests who might be sleeping in the staterooms/suites below. All guests are kindly asked to walk counter clockwise.

Noise in guest areas.

Out of respect for your fellow guests, keep all unnecessary noise to a minimum and in particular, do not slam doors. This courtesy will help all guests to have a relaxing time on board.
