EPIC ROCK

Rock anthems ruled the airwaves in the 1970s and 1980s. These songs build an excitement that make people want to sing out loud and release their inner rock star. Rock was more than just music. From arena concerts to laserium, to concert films, rock was an experience.

PUNCHLINER

There's chuckle funny and then there's laughing—so-hard-you-can-barely-breath funny. We've teamed up with the great George Lopez to present comedians that will take you way up to the top of the hysterical chart.

HASBRO, THE GAME SHOW

You've played Connect 4 & Yahtzee, but have you ever played giant versions onstage in a game show? Put your gaming skills to the test and join the fun!

It's Showtime!
