Welcome to Ft. Lauderdale

Welcome to Ft. Lauderdale, the "yachting capital of the world." One of South Florida's primary tourist destinations, this radiant city has reeled in admirers for approximately 50 years.

Ft. Lauderdale was incorporated in 1911, although its name comes from U.S.-built forts utilized during the Second Seminole War, all of which honored a commander called Major William Lauderdale.

Today, Ft. Lauderdale is a major cruise port featuring a delightful Riverwalk and seven miles of sparkling beaches. It is also a gateway to the great Florida Everglades.

[redacted] Disembarkation Checklist

Step 1: Get ready

Plan ahead:

☐ **If you have previously registered a credit card for Express Checkout**, then you are not required to check out at the Passenger Services Desk. The account folio delivered to your stateroom on disembarkation morning will be your payment receipt. The last opportunity to take advantage of registering for Express Checkout is 4:00pm on Thursday, 14th February.

If you have not registered a credit card, please settle your shipboard account at the Passenger Services Desk before 11:00pm on Thursday, 14th February.

Shipboard accounts will be closed at midnight on the morning of Disembarkation.

After this time, we are unable to amend statements. Please ensure you check your folio before this time.

☐ **Drop off your "Consumate Host Recognition Nomination" cards** in the box adjacent to the Passenger Services Desk.

If any of our crew members have gone the "extra mile," we would like to know in order to thank them for a job well done and enter their name into our "Consumate Host of the Month" program.

☐ If you are **wheelchair-confined and require assistance** to disembark, please meet at Casino, Deck 6 Midship 15 minutes before your schedule disembarkation meeting time.

Staff will help you ashore on disembarkation morning.

☐ **Check "Lost and Found"** at the Passenger Services Desk.

☐ **Return indoor games, and/or library books** to the Library on Deck 7 Fwd.

Step 2: Get set

Prior to disembarkation day:

☐ You should have received **luggage tags** to your stateroom with this notice. We recommend you print your name clearly on each tag and attach them to your luggage.

At the end of each luggage tag, there is a perforation. Please remove the small perforated section of each tag and carry it with you when you disembark. These tags can be attached to your luggage like airline tags, and remember to first remove any old tags so that your luggage can be correctly sorted ashore. Please note that these perforated tags are not claim checks, but are a gangway pass and should be shown at the gangway when you disembark.

☐ Please check the disembarkation schedule and ensure you have been given the correct tags. Should you have an early flight and need different tags, please visit the 'Tag Desk' on Deck 6 Midship next to the Passenger Services Desk from 9:00am-12:00pm & 3:00pm - 5:00pm on Wednesday, 13th February.

☐ **Place the majority of your luggage outside your stateroom before dinner** of the last evening.

This is necessary to avoid disturbing you during the early morning hours with luggage collection and to keep emergency exits and alleys clear. The remainder of your luggage should be placed outside your stateroom at your convenience after dinner.

If you need to weigh your luggage, please contact your stateroom steward who can provide assistance with a luggage hand scale.

☐ **"Express Walk-Off" Disembarkation**: For passengers capable of handling their own luggage across the gangway and into the terminal, you have the option for a "walk off" disembarkation. Those wishing to participate should NOT leave out any luggage for collection. Kindly note that passengers choosing the "walk off" disembarkation are responsible for carrying all of their own luggage.

☐ It is recommended that you **keep all valuables and fragile items with you when going ashore:**

- Passports and flight tickets
- Medication
- Items which you need to declare
- Liquor bottles.

Step 3: Disembark

Taking care of business on the day of disembarkation:

☐ **Clear your stateroom safe deposit box** and leave it open.

☐ Check that you have **no personal belongings left** in your stateroom.

☐ **Vacate your stateroom by 8:00am.**
Please plan your morning carefully as you must meet with your colored luggage tag group at the correct time and location. Refer to the chart on the reverse side.

Verify your meeting time and designated lounge as listed on Disembarkation Chart.

☐ Any **last minute photographs can be purchased** from the Photo Gallery on the morning of disembarkation between 6:30am and 9:00am.

☐ For our Platinum, Elite and Suite passengers, please feel free to use our **Platinum Disembarkation Lounge** instead of your designated waiting area prior to disembarkation. Please have your cruise card ready at the door for entry. The lounge will be in the Club Fusion on Deck 7 Aft and open at 7:00am. If wheelchair assistance is required, please meet in the Casino, Deck 6 Midship.

☐ **When disembarking the ship, all passengers are to produce their cruise card at the gangway.** After passing through security, you are welcome to keep your cruise card as a souvenir of your cruise with us.

☐ **Passengers enrolled in the Princess EZCheck luggage service** will receive luggage tags and their boarding passes only after 8:00pm on Thursday, 14th February. EZCheck passengers will NOT be required to collect their luggage in the cruise terminal upon disembarkation. EZCheck luggage forwarded directly to your airline and will be claimed upon arrival at your final destination. This service does not include passenger transfer to the airport. Once clear of Customs and Immigration formalities in the terminal, EZCheck passengers will be free to continue with their onward transportation.

☐ **Passengers who have booked a Shore Excursion** will disembark according to their tour arrangements. Kindly disregard any other disembarkation arrangements you may have received. As general announcements will not be made, please ensure you meet at the time and location advertised.

Procedures

- Once clearance has been granted by the authorities ashore, the gangway will be opened and your colored and numbered group will disembark from the assigned lounges as listed.
- Please be aware that U.S. Customs and Border Protection will not permit you to disembark until your color group is cleared.
- All colored and numbered groups will disembark from their assigned lounge only. Please do not meet in your disembarkation lounge prior to the meeting time listed.
- Local authorities and agencies reserve the right to change the order and details of disembarkation.

Disembarkation Day

Customs/Border Patrol

U.S. Customs and Border Protection will inspect all passengers in the terminal building ashore during disembarkation. You must be ready to present your passport, or birth certificate with a valid government photo I.D., in addition to your completed U.S. Customs form and any applicable immigration forms.

U.S. CUSTOMS DECLARATION

These have been delivered to your stateroom and must be completed one PER FAMILY. US CBP will collect the forms in the terminal building after you have collected your baggage.

REMINDER: When filling in your customs declaration you must declare on the reverse side of the form if you have exceeded your customs limit. When declaring you must state the total items bought, NOT the amount you have exceeded the limit by.
