

**THANKS FOR  
JOINING US  
AT THE  
CARNIVAL FAMILY  
OF STEAKHOUSES**

We've created a memorable dining experience combining a delicious steakhouse menu with our unique Carnival style. Hope you've brought a healthy appetite.

First, let's talk steak. We offer several mouth-watering options - a juicy Cowboy Steak, Filet Mignon and a New York Strip to name a few.

Because variety is truly the spice of life, we also offer a fantastic selection of seafood entrees, as well as gourmet appetizers, salads and soups. Our signature wine list is designed to complement any meal and has been carefully selected by our Chef.

No meal, especially during a Carnival vacation, is complete without dessert. Our menu includes a special treat for any palate – to complete an unforgettable experience.

Thank you again for dining with us this evening. We look forward to welcoming you back to another of the Carnival family of Steakhouses.
