

GOOD TO KNOW

SAFETY FIRST

MANDATORY SAFETY BRIEFING: All guests must attend the mandatory safety briefing held before sailing on embarkation day. When the signal sounds, please proceed to your assigned muster station, which is printed on your Sail & Sign card. All guests traveling in the same stateroom must remain together. Carnival uses an electronic mustering system (Mobile Assembly Suit) and/or tally counter to account for each guest.

ADDITIONAL SAFETY INFORMATION: Safety instruction notices, muster station information and life jackets are located in each stateroom. Please refer to the placard behind your stateroom door, or our safety information video on your stateroom TV, for additional safety information. In the event of an emergency, safety instructions will be provided over the public address system. *Please contact your Stateroom Steward or Guest Services should you require additional information.*

MOVING SHIP: Remember that you are on a moving ship. For your safety, please take extra precautions, use hand rails and watch your step.

GOING ASHORE: Guests under 16 years of age must be accompanied by an adult within the same travel group in order to get off the ship. Before disembarking at our ports of call you must declare or discard all agricultural products, including any fresh fruit, vegetables, meat products, plants, seeds and soil. Infractions may result in a fine.
