WELCOME TO THE FIRST DAY OF THE MOST AMAZING VACATION OF YOUR LIFE.

This cruise vacation will be filled with boatloads of activities, wonderful adventures and unforgettable experiences. In other words, there is a lot to do and see. The list below highlights the things you won't want to miss. Each night you will receive a Cruise Compass and Daily Planner in your stateroom so you can get a jump-start planning your adventures for the next day. Remember that our crew is here to ensure you receive the best service and have the best vacation, so feel free to ask any questions you may have.

TODAY'S TIPS

- Please note that luggage delivery is a lengthy process. Thank you for your patience and understanding.
- Familiarize yourself with the safety routine onboard and your Assembly Station, your assigned meeting place in case of emergency. View our safety film on your stateroom television, Channel 42. There will be a compulsory Guest Assembly Drill today at 4:15 pm.
- Ready to explore? Don't stand in line to get your tickets! Simply press the green "menu" button on your remote and select "Explorations!" You'll get instant confirmation and your tickets will be delivered within 24 hours.
- Pool towels are available for your use at the Towel Stations, Deck 11. You may exchange your towel for a clean towel anytime at the Towel Stations. Towels need to be returned to the Towel Stations by the last day of your cruise vacation or your SeaPass account will be charged \$20 per towel.
- Check your messages on your stateroom television daily for highlights, ship facts, information, promotions and more.
- Due to our positioning in United States' waters, sales tax will be added to any purchase until we reach international waters which is approximately 30 minutes after sailing. At that time we become a tax and duty free ship and our casino will open.

EVERYTHING ELSE

Helpful Health Information – Royal Caribbean International, working in conjunction with the U.S. Centers for Disease Control and Prevention, has instituted enhanced cleaning procedures onboard all its ships. You will likely see some of these activities during your cruise vacation. Medical experts tell us that the best way to prevent colds, flu, and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after restroom breaks and again before eating anything. Your cooperation with this matter is appreciated.

Parental and Guardian Responsibility – For purposes of this Guest Conduct Policy, a minor is defined as anyone under the age of 21. Parents and guardians are responsible for the behavior and appropriate supervision of their accompanying minor(s) throughout their vacation. This obligation applies during transfers to and from ships, inside terminals, while onboard, at our ports of call, during shore excursions and at our private destinations. This responsibility applies at all times, regardless of whether the parents and guardians are physically in the company of their minor(s). No guest under age 21 may possess or consume alcohol during transfers to and from ships, inside terminals, while onboard or at our private destinations. Should a parent or guardian choose to permit their minor(s) to consume alcohol while ashore during a port-of-call or an excursion (where local laws permit), they remain accountable for ensuring the minor(s) consume responsibly and retain their ability to recognize and avoid potentially dangerous situations when they return to the ship.

Smoking – For the comfort and enjoyment of our guests, smoking is prohibited in most areas and in all staterooms. However, to provide an environment that also satisfies smokers, we have selected designated smoking areas. Please refer to your Cruise Compass for areas and locations.

For further information and descriptions of onboard services and policies, please read *Important Information on the back of your Day 1 Cruise News*.
