### Onboard Interactive TV

We want you to enjoy your vacation to the maximum therefore any free time counts, and that's when technology comes in handy. In your stateroom's interactive TV you may book shows, restaurants, excursions, watch the latest movies (pay-per-view), check your account balance, charges and onboard credits and a lot more. Why waste time in lines when you have it all on the palm of your hands and in the comfort of your room?

### DRINKING

If you are 21 years or older, you may purchase\* or drink alcohol. If you are 18 through 20 years of age and you have the written consent of your travelling parents you can purchase beer or wine for yourself only when the ship is sailing in international waters (except in Alaska and Hawai'i, where you must be 21 years of age to consume or purchase alcohol of any kind.) You can fill out a consent form at the Guest Services Desk after 6:00pm as our vessel needs to be outside of US state territorial waters.

\*Guests are advised if they bring alcohol on board it will be

kept in a secure area until the conclusion of the cruise. Norwegian Cruise Line encourages the responsible use of alcohol and accordingly reserves the right to permanently or temporarily revoke the drinking privileges of any guest who violates Norwegian's Guest Code of Conduct or who is deemed a danger to himself, herself or others by vessel management. Continued abuse of alcohol while sailing and/or violation of Norwegian's alcohol policy may result in immediate disembarkation.

## HOT TUBS & POOLS

Glass & bottles cannot be brought into any of the pools or hot tubs, no children in diapers or pull-ups, including swimmers & no unaccompanied children under 12 in hot tubs.

If you've got any type of needles to throw away, please ask for a special container from the Stateroom Steward, Guest Service Desk or the Medical Center.

## OPEN FLAMES

## SERVICE CHARGE

A \$12 USD service charge will be automatically added per guest per day (for guests three years and older) to your shipboard account for all staterooms. This charge will be shared among those staff members, including the restaurant staff, stateroom stewards and other behind-the-scenes staff who provide services to enhance your overall cruise experience.

However, certain staff positions (e.g., beverage service, concierge, butler and youth counselors) do not benefit from this shared service charge because they provide service to only some guests, not all. If you receive excellent service from any of these staff members, we encourage you to acknowledge them with appropriate gratuities.

### Stateroom Lights and Electricity

- We've come up with a simple way to help the environment by saving energy.
- To turn on the lights and power, just insert your keycard into the metal slot right next to the door.
- When you leave your room, remove your keycard and the lights and power will automatically turn off.
- Power will fail when socket is overloaded.

- Electrical outlets 110V / 220V are located under the vanity in your stateroom.
- Lifejackets are located under the bed. Infant lifejackets will be provided by stateroom steward.
