

# WIRELESS INTERNET ACCESS

## Stay Connected 24 Hours a Day!

### HOW TO LOG IN

Once you are in the range of the Wireless signal, simply connect to the network – "NCL\_internet". Once connected, start your Internet Browser and you will be directed to the Login Page.

### LOGIN INSTRUCTIONS

When prompted, please enter your full first name, last name, stateroom (for example 5052) and date of birth. As a New User you'll also be asked to create a password that will be used for returning log-ins.

### SELECT A BILLING PLAN, AND GET CONNECTED

Billing will start when you click purchase or connect and not during the login process.

### INTERNET PACKAGES

3 Pricing options are available for selection on-screen, 24 hours a day:

**TIME PLAN 1 = 250 Minutes for \$100 (\$0.40 per min)**

**TIME PLAN 2 = 100 Minutes for \$55 (\$0.55 per min)**

**PAY AS YOU GO = \$0.75 per min**

ONE-TIME ACTIVATION FEE: \$3.95 (applies to first log in only)

### DON'T FORGET TO LOGOUT

To end your Internet session and discontinue billing, simply click on the "Log Out" button. To enable this, please disable your Pop-Up Blocker. If the "Log Out" button did not appear, simply type "logout.com" in to the Internet Browsers Address Bar (usually at the very top left) and press enter to immediately terminate your internet session.

### WIRELESS ACCESS LOCATIONS

Wireless service is available in public areas throughout the ship, as well as in the staterooms. If using a shared computer, such as those in the Internet café, please ensure that you sign out of your email/bank accounts before terminating the session.

### SMTP SERVER AND VPN ACCESS

Microsoft Outlook and other Mail client users may need to change the outgoing SMTP address to 172.31.0.2  
VPC Access is limited. PPTP and IPsec type VPNs may not connect.

### ANY OTHER QUESTIONS

The Internet Manager is available in the Internet Café located in the Art Gallery (Deck 7 AFT) to answer any questions you may have about wireless connectivity during the scheduled hours posted in the Freestyle Daily.

Time Plans are interchangeable between the Internet Café terminals and personal laptops. No credit will be given for unused Time Plan minutes. Upgrading Plans is not available. The Internet Café is open 24 hours until 10pm on the last night of the cruise. Time Plan minutes can be used until 7.30am of debarkation day. Norwegian Cruise Line is not responsible for any content transmitted via the Internet nor does it guarantee privacy or data security.
