Enjoy your Vacation your Way

Welcome aboard Norwegian Jewel.

Thank you for choosing to sail with us. With our expert staff and crew totally committed to taking care of all the details, it won't be long before you'll see exactly why Freestyle Cruising is such an easy, carefree cruise experience. I want to proudly mention you're cruising on a ship that features top-notch crew members who've all embraced S.T.Y.L.E., our customer service philosophy. It stands for Service, Teamwork and Yes Leads to Excellence – and it's our commitment to deliver superb guest service from a passionate team.

Norwegian Jewel is an amazing ship - I'm sure you'll love her as much as I do. At any given moment, day or night, you'll find plenty to do here. Be inspired, chill out, have fun, be active, slow down, explore destinations – you name it, we probably have it. Everything from award-winning spas to action-packed casinos can be found on board. Also, with so many different places to eat on board, you can experience all kinds of dining options – perhaps a different one every day!

And a great way to begin exploring is by using our Freestyle Daily newsletter as your guide. It's filled with information on the day's activities and special events. And it's a terrific way to get a feel for the ship.

Here are a few things I know you won't want to miss – some of my personal favorites:

Show: Le Cirque Bijou

Restaurant: Cagney's Steakhouse

Shore Excursion: Disney, Kennedy Space Center and Atlantis

Thank you, again, for sailing with Norwegian Cruise Line.

We sincerely hope you enjoy your trip.

Bon Voyage!

Captain Lars
