

WELCOME ABOARD!

HERE ARE A FEW THINGS YOU SHOULD KNOW TO MAKE THIS THE BEST CRUISE VACATION EVER!

Oasis 360° Held on Day 1, Oasis 360° is your one-stop-shop for vacation planning, with everything you need to prepare for your cruise: Things to do. Places to see. Where to shop and dine. In addition, you can make reservations for any of the shows, specialty restaurants, shore excursions plus meet your friendly cruise staff and other fellow cruisers. See you in Entertainment Place on Deck 4 from noon to 3:00 pm.

Digital Signage Be sure to look out for our onboard digital signage located throughout the ship and by the elevators on each floor that provides up-to-the-minute, real-time communication to guests for mustering, departure information, entertainment information and more.

Navigation/Wayfinding Wayfinding allows you to browse all activities, dining options and other venues around *Oasis of the Seas*SM. Available in six languages, it can also dynamically show you how to navigate the ship. Did you know staterooms are broken into four color quadrants: pink, blue, green and yellow. Be sure to look for your color quadrant to easily locate your stateroom.
