### CAPTAIN KEVIN OPREY

The Captain, his officers and crew, welcome you on board for this westbound transatlantic crossing. Cunard ships have spanned the mighty Atlantic Ocean since 1840, welcoming aboard those seeking adventure, style and sophistication. We wish you a pleasant journey and relaxing voyage as QUEEN MARY 2 departs for New York.

### THE PORT OF SOUTHAMPTON

In 1911 Cunard Line purchased three ships, renamed the Albania, Ausonia and Ascania, to begin a new service between London, Southampton and Canada. The route was intended to take advantage of a treaty signed between the Canadian and French governments whereby goods shipped to Canada through a British port received a rebate. Cargo was loaded in Tilbury Docks, London, and passengers joined the ship in Southampton, which then proceeded to Quebec and Montreal. This new route was pioneered by the Albania, which arrived in Southampton for the first time on 2 May 1911, beginning a long relationship between Cunard and Southampton. Cunard's headquarters remain in Southampton - now in the modern surroundings of Carnival House. Southampton also remains home to many luxury cruise ships, as well as being a very important container port. The outstanding harbour means it is the principal port on the south coast, and one of the largest in the UK.

### A ROYAL CELEBRATION

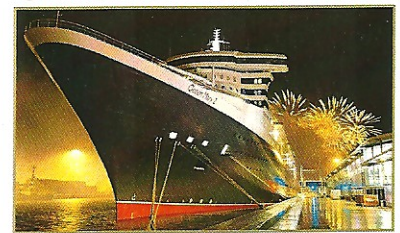

In celebration of the 10th Anniversary of QUEEN MARY 2, His Royal Highness The Duke Of Edinburgh Prince Philip will visit the ship this morning.

### WELSH GUARDS CONCERT

Enjoy a special performance by the Welsh Guards.  
From 5.15pm to 6.00pm in Royal Court  
Theatre decks 2 & 3, B stairway  
Followed by a special display of the Welsh Guards marching on the quay side  
From 9.00pm to 9.30pm

### CUNARD'S THREE QUEENS CELEBRATE QUEEN MARY 2'S 10TH ANNIVERSARY

### A SAILAWAY TO REMEMBER... DEPARTURE FIREWORKS

International band Vibz will be playing music on deck from 8.00pm. Our departure will be saluted by a fabulous fireworks display. Visible from the aft of all open decks, including the Terrace Bar, deck 8, D stairway. Approximate start time 10.00pm. (Weather permitting)  
QUEEN MARY 2 will be joined by QUEEN VICTORIA and QUEEN ELIZABETH as we all depart from the historic port of Southampton. Toast the beginning of your voyage with a glass of Veuve Clicquot Champagne for only \$12.00.

This in return ensures that you are aware of your responsibilities regarding your child in an emergency. Regardless if your child is participating in organised activities with The Zone, all parents must submit the Registration/Consent form to the Zone (deck 6, aft) or the Purser's Desk (deck 2, Grand Lobby)

On formal nights, any guests wishing to dress more casually are welcome to dine in the Kings Court buffet restaurant and relax in the Winter Garden bar, but should not use other areas within the ship, including our Alternative Dining Restaurants, out of respect for your fellow guests.

It is not unusual for bags within the same party to be separated so please do not be alarmed if only some of your set of luggage arrives. Please report any luggage problems to the Purser's Desk.

## SMOKING POLICY

To respect all guests on board QUEEN MARY 2 all public spaces are designated as non-smoking within the ship, with the exception of Churchill's Cigar Lounge. Outside, on the open decks, the starboard side of the aft end of the ship on deck 8, under the canopy and on deck 7 aft under the clock are designated as smoking areas. All restaurants are non-smoking, this includes outdoor dining alternatives. Smoking is not permitted in staterooms. Whilst smoking is allowed on stateroom balconies, we ask that guests are considerate and keep smoking in this area to a minimum. Churchill's is a lounge dedicated to cigar and pipe smokers all day. The extensive cigar selection is stored in the built-in humidior area. G32 port side (upper level only) is a smoking area from 6.00pm onwards.

# TODAY'S ACTIVITIES

## MEDICAL SERVICES

The Medical Centre is open twice a day for routine, non-emergency consultations with the Ship's Doctor. These opening hours can be found in your Daily Programme. For emergencies only, please press the speed dial button marked 'emergency' on your telephone or dial 999 or 911. Tablets for sea sickness are available from the Purser's Desk.

## TOILETS

QUEEN MARY 2, as with most modern ships, has a vacuum operated toilet system. The pipe work of this system is much smaller than that used ashore. Whilst it is eminently suitable for its designed purpose, sanitary items, facial tissues, paper hand towels and items that are not rapidly biodegradable will cause obstructions.
