SUNRISE AND SUNSET

Sunrise: 7.06am / Sunset: 6.44pm.

Welcome aboard Queen Mary 2 as she sails on her Autumn Getaway!

Commodore Bernard Warner, his Officers and Crew welcome all of you who are joining us today for our 'Autumn Getaway' Voyage. We wish you a pleasant journey and relaxing holiday as Queen Mary 2 embarks on her voyage to Bar Harbor, Halifax, and New York.

Welcome to New York, USA!

New York City, officially the City of New York, is the most populous city in the United States and the most densely populated major city in North America. Located in the State of New York, New York City has a population of over 8.4 million within an area of 321 square miles (approximately 830 km²). The city is a centre for international finance, fashion, entertainment and culture, and is widely considered to be one of the world's major global cities with an extraordinary collection of museums, galleries, performance venues, media outlets, international corporations and financial markets. It is also home to the headquarters of the United Nations. The New York Metropolitan Area has a population of about 22 million, which makes it one of the largest urban areas in the world. The city proper consists of five boroughs: The Bronx, Brooklyn, Manhattan, Queens, and Staten Island. Each of these boroughs, except for Staten Island, is home to at least a million people and would each be among the nation's largest cities if considered independently. Nicknamed "the Big Apple", the city attracts large numbers of immigrants, with over a third of its population foreign born. Moreover, it attracts people from all over the United States, who come for its culture, energy, cosmopolitanism, and economic opportunity. At present, the city has the lowest crime rate among the 25 largest American cities.

The Legacy Of Cunard

It was a more civilised era, the golden age of sea travel. Crossing the ocean was a grand event unto itself, the very embodiment of sophistication and privilege and travelling Cunard was what one naturally chose for such a voyage. Cunard's glorious ocean liners were floating palaces of art deco splendour and Edwardian excess, surrounding guests with every comfort and luxury. They attracted the greatest personalities of the day, from world leaders to movie stars, who sipped champagne at festive black-tie soirees and strolled along graceful promenades attired in their finest apparel. It was the quintessence of luxury travel, and getting there was truly half the fun. Cunard continues the celebration to this day, as she has for the past 170 Years, but now with the style and majesty of Queen Mary 2 and, as you sail with us today, you join that legacy. Bon Voyage!

Showtime Tonight: 'Crazy in Love'

At 7.00pm & 8.45pm in the Royal Court Theatre, Decks 2 & 3

The 7.00pm show is a pre-dinner show for second sitting for guests

'Crazy in Love' highlights, with satirical humour, the eternal dilemma between men and women, the nitty gritty of life and the sparkle of romance. Featuring cameo scenes from the beginning of the relationship cycle, through comedy, heartbreak, reconciliation, absurdity and fun. 'Crazy In Love' is a show for anyone who ever fell in love - or is planning to!

WELCOME ABOARD

I would like to extend a warm welcome to all guests joining us in New York today. I hope you will enjoy the facilities and activities on board as we sail on our Autumn Escape.

My staff and I are delighted to provide you with an array of activities, enrichment & entertainment. The Daily Programme provides you with all essential information about Queen Mary 2 and is delivered to your stateroom/suite every evening for the following day.

There is also a very exciting Cunard Insights Lecture Enrichment Programme to look forward to. I am proud to be able to present the following speakers:

- Environmental Scientist, Dr. Joseph M. Bishop
- Writer/Actor/Producer/Filmmaker, Robert Neal Marshall

We have a number of lectures planned for each day at sea and I am sure you will find them both interesting and enriching.

In addition, we have a number of in-house staff who offer their expertise on an assortment of topics such as health and fitness with Canyon Ranch and computer knowledge at Cunard ConneXions.

Every evening we present a spectacular show in the Royal Court Theatre. We have a wonderful cast - the Royal Cunard Singers and Dancers - as well as guest/variety entertainers and classical artists to make every showtime special and exciting.

There are many unique aspects of Queen Mary 2 designed for your entertainment, one of which is our on-board theatre troupe from the Royal Academy of Dramatic Art. The actors will present performances and a number of acting workshops throughout the voyage. We will also have classical musical performances from pianist, Adam Johnson.

Once again, welcome aboard, and enjoy the many things to do on board Queen Mary 2.
