Welcome Onboard Queen Victoria as she departs for her Maiden Voyage!

Captain Paul Wright, his Officers and his Crew welcome all of you who are joining us today for Queen Victoria's Maiden Voyage. We wish you a pleasant journey and relaxing holiday as Queen Victoria departs on her Christmas Markets voyage to Rotterdam, Copenhagen, Oslo, Hamburg, Zeebrugge and returning to Southampton.

The Legacy Of Cunard Line

It was a more civilised era, the golden age of sea travel. Crossing the ocean was a grand event in itself, the very embodiment of sophistication and privilege. And traveling Cunard was what one naturally chose for such a voyage. Cunard's glorious ocean liners were floating palaces of art deco splendor and Edwardian excess, surrounding guests with every comfort and luxury. They attracted the greatest personalities of the day, from world leaders to movie stars, who sipped champagne at festive black-tie soirees and strolled along graceful promenades attired in their finest apparel. It was the quintessence of luxury travel, and getting there was truly half the fun. Cunard continues the celebration to this day, as she has for the past 168 years, but now with the style and majesty of Queen Victoria. And by sailing with us today, you join that legacy.
Bon Voyage!

Queen Victoria's Naming Ceremony

Queen Victoria was officially named by HRH The Duchess of Cornwall in the presence of HRH Prince Charles at an auspicious naming ceremony in Southampton yesterday. The event was attended by over 2000 VIP's and dignitaries from around the world and attracted worldwide media interest.

WELCOME ABOARD

We would like to take a moment to welcome you on board Queen Victoria, the youngest and second biggest member of the Cunard family, on this her maiden voyage.

We hope you enjoy the many new innovations on Queen Victoria as well as signature Cunard features such as our legendary White Star Service, as executed by our crew, many of whom have worked on Cunard ships for decades refining their art. Queen Victoria's elegance and unique atmosphere will make this a truly unforgettable voyage.

In each of Queen Victoria's restaurants, a dedicated team of chefs and waiters look forward to serving you. The Queens Grill, Princess Grill, Britannia Restaurant as well as Cunard's exclusive Todd English restaurant all feature menus created from the most carefully prepared ingredients. For less formal dining, the extensive Lido overlooking the ocean, presents masterfully prepared meals from internationally inspired dishes and when it comes to pure elegance, nothing surpasses afternoon tea in the Queens Room.

My staff and I are delighted to offer a large array of activities, stimulating lectures & entertainment. The Daily Programme provides you with all essential information about Queen Victoria, and is delivered to your stateroom/suite every evening for the following day.

With Cunard Insights, eminent guest speakers will present lectures on each of our days at sea and I am sure you will find them particularly interesting and enriching. We also offer a number of lectures on topics from health and fitness to photography, jewellery and computer knowledge from our on board team of experts.

In the many bars and lounges on board you'll find the company delightful and the live music enchanting. In the Golden Lion Pub enjoy the traditional British Pub atmosphere while participating in a sing-a-long, Karaoke or a Pub Quiz. In the Chart Room you can hear cocktail melodies or may be celebrate with a glass of bubbly in the Veuve Cliquot Champagne Bar. The unsurpassed ocean views from the Commodore Club offer a stunning backdrop as we feature one of our resident musicians. Nearby is Hemispheres, a venue for speciality lectures during the day before it transforms in to an elegant Nightclub.

Queen Victoria's entertainment is second to none. Lavish Production Shows presented by the Royal Cunard Singers and Dancers as well as variety entertainers from around the world, offer dazzling performances in the remarkable Royal Court Theatre spanning three decks and featuring the first theatre boxes at sea. In the signature double height Queens Room our dance champions and Queens Room Orchestra set the tempo on one of the largest dance floors at sea.

When Samuel Cunard set out to deliver mail across the Atlantic 165 years ago, he little realised he was taking the first step towards a new standard in luxury travel. Cunard continues the tradition of style and grandeur on board Queen Victoria. We hope you enjoy your voyage with us.
