

JASMINE

From China to Singapore to Thailand, Asia's southeastern coastlines are a palatable adventure into exotic flavor. But you don't have to take a Royal Caribbean Exotic Asia cruise to enjoy them. Across our fleet, the main dining room features many Asian-influenced dishes and ingredients, like Jasmine rice. Named for the soothing and aromatic Jasmine flower, Jasmine rice is an intrinsic part of Thai culture. This pervasive ingredient receives blessings at every stage of its life cycle — before cultivation, at the time of planting and at harvest.
