

SHOCKWAVES[®]

Onboard activities for ages 8-12

Welcome Aboard!

As part of the Princess Cruises Youth Program, Shockwaves is non-stop fun for our pre-teen cruisers. Choose from Playstation(R) 2/3 and Nintendo Wii™ tournaments, talent shows, outdoor sports competitions, arts and crafts, or a hands-on learning experience through our exclusive partnership with the California Science Center.

To ensure the safety and security of every participant, each program features specialized, age-specific activities. So it's our policy that pre-teens participate in the program specially designed for their specific age.

Come join us for games, activities and boatloads of fun!
