

# Onboard Activities for Ages 13-17

Remix is where teens can make new friends, hang out, or get in the groove with some great activities — including sports tournaments, mocktail-making competitions, teen makeovers, hot tub parties, dance parties and late night movies.

To ensure the safety and security of every participant, each program features specialized, age-specific activities. So it's our policy that teens participate in the program specially designed for their specific age.

Come hang out with new friends in the Remix Teen Lounge!

**Teen Activities Coordinator**  
Merlene Eugenio

Merlene hails from the Philippines. She was a Teacher-Librarian before joining as a youth staff on Princess ships. She has been on Caribbean, Sea, Dawn, Crown & Star Princess. Being part of the inaugural team on the newly-built Royal Princess is a great honor for her.

Merlene and other youth staff are delighted to meet our young cruisers onboard. All of them are dedicated in making the teens enjoy their stay in the Remix Lounge here on the Royal Princess.
