The Art of Hassle-Free Shopping

A truly unforgettable voyage is all the more complete when you bring something home to rekindle the memories for years to come. And you won't have to go ashore, battle traffic, or fight crowds to find those special gifts — you can conveniently indulge in the "art of shopping" at our Boutiques Onboard,

offering the very best service and a delightful specialty shopping experience.

Our team of buyers carefully select unique itinerary-specific merchandise and many of these authentic items aren't available anywhere else. Choose from men's and women's casual and formal apparel, fine jewelry with a five-year Princess guarantee, world-class fragrances and fine liquors, wonderful brand-names like Lladro and Swarovski, and much more.

And best of all, most of the well-known brands are tax and duty-free — a savings of up to 60% off U.S. suggested retail prices.

So don't miss out, visit the Boutiques Onboard before the end of your cruise for the "Last Chance" promotions.

Meet Executive Chef Michele Cozzoli

Born in Zurich, Switzerland in 1967, Michele began his professional career at a hotel on Italy's Lake Garda, before getting a formal culinary education. Inspired by seeing "The Love Boat" on television, he joined Princess Cruises in 1987 as a line cook and was promoted Executive Chef in 1997. In addition to Ruby Princess, Michele has been part of twelve other Princess ship inaugurations, and played a major role in culinary innovations, including the Chef's Table, a first of its kind at sea.

Dress Code

During the day, sportswear and casual clothes are suggested.

Guidelines from 5:30pm and throughout the evening are:

Formal: A Dinner Jacket or dark business suit for gentlemen and a full length evening gown, cocktail dress or trouser suit for ladies.

Smart Casual: An open-neck shirt and slacks for gentlemen and a dress, skirt and blouse, or trouser suit outfit for ladies.

Please be reminded that shorts, tank tops & baseball caps are not permitted in the Dining Rooms, Crown Grill and Sabatini's during dining hours.

From the Navigator

Throughout the night we set various northerly courses through the Canal de Cozumel before crossing the Yucatan Channel towards the Straits of Florida, passing Cuba on our starboard side at a distance of approximately 15 nautical miles. In the early hours of the morning we started to set more north-north easterly courses in the Straits of Florida and passing Florida Keys on our port side around noon-time. In the evening we will round the north end of Great Bahama Bank and pass through the North Providence Channel followed by the North East Providence Channel overnight, making way toward Eleuthera Island.

Princess Sudoku

Solving a Sudoku puzzle can be rather tricky, but the rules of the game are quite simple. The objective of Sudoku is to fill the 9*9 grid so that each column, each row, and each of the nine 3*3 boxes contains the digits from 1 to 9 only onetime each.
