The Officer's Daily Log

Meet Cruise Director Martyn Moss

Born in the "resort" town of Wigan, England, Martyn Moss worked as both a police officer and security consultant before setting off for sea. He spent time aboard various cruise lines before joining Princess Cruises in June 2007, where he's been ever since. "Nothing has been as rewarding as working in the position of Cruise Director," he says fondly.

A sports enthusiast who now lives in Deganwy, North Wales, Martyn enjoys skiing, golfing and fishing, and believes he is one of very few English baseball fans.

by Cruise Director Martyn Moss

I like to think I've got one of the greatest jobs on board Ruby Princess®. Fun is my personal responsibility. And helping you have more of it is what I do all day.

Enjoy your day in Dublin, Ireland's charming capital city! Travel through the centuries at the Glendalough Ruins. Or, explore the largest church in Ireland, the 12th-century Saint Patrick's Cathedral, where legend has it St. Patrick first converted the Irish to Christianity.

When you're ready to dive into our onboard activities, you'll find a variety of enriching and entertaining options to suit your every mood. Never get enough time to read for pleasure? Then visit our extensive onboard library to check out books on topics ranging from natural history to sports to biographies. Indulge in an exquisite spa treatment or treat yourself to a massage in the Lotus Spa®. Learn something new by participating in a wide range of popular enrichment courses. You can even gaze at the incredible works of art in our Art Gallery, and take note of any pieces you might like to bid on at our onboard auctions!

I'd also like to call your attention to the activities that make our ship one of the most entertaining spots in the British Isles. Throughout our voyage, the Piazza is alive with the excitement of music, street performers and other attractions. If you love the stage, tonight's local show "Gaels Afloat" is appearing in the Princess Theatre, and our Cruise Cult Classic, Liars Club will have you rolling down the aisles in the Explorers Lounge. Be sure to check the Patter or tune into Channel 21 for The Wake Show in the morning to get the latest on all our planned activities.

From the Navigator

During the night Ruby Princess followed the east coast of Ireland to the north. As we made our approach to Dublin in the morning, we boarded our local pilot four miles outside the breakwaters. After navigating the buoyed channel we passed the breakwaters and entered the River Liffey. Dublin was built at the mouth of the Liffey and was originally named Dubh Linn, the Irish for black pool, later shortened to Dublin.

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Do not accept or bring onboard any parcels or packages from strangers. Before boarding, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.

Security Screening

All passengers returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Passengers with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."

Shuttle Services

There will be a shuttle service available today taking you from the port to downtown. The drop-off and pick-up location will be situated on Kildare Street (near Trinity College). First shuttle will depart at 11:30am and the last shuttle from the city will leave at 9:45pm. Tickets can be purchased from the Tour Office or directly with dispatchers on the pier, using your ship's cruise card

Passport Delivery Notice

Please note that your passport will be returned this evening via your stateroom steward between 5:00pm to 7:00pm. Please leave the passport receipt on the vanity desk of your stateroom before going for Dinner.
