

teppanyaki

You are about to experience the Japanese style of cooking called "Teppanyaki". Our chefs will show off their amazing skills by slicing, dicing and juggling while preparing delicious meat, poultry, fish and vegetables on an iron "Teppan" griddle. Plus, we've included a quick lesson in the ancient art form of Origami, where paper is folded and creased to make intricate designs. Just flip over this menu and enjoy a sample of this fun technique.
