(Domestic broadcast feeds can only be legally broadcast within 12 miles of the United States coastline.) Brief moments of satellite signal loss can be expected at any time – an inevitable consequence on a moving ship. In addition, some major sporting events may not be available due to blackout and broadcast rights restrictions. We hope you enjoy the widest variety of stateroom television entertainment available at sea.

Cruise Services Directory – Found in your stateroom is a Cruise Services Directory that contains answers to frequently asked questions, a telephone directory and a Room Service Menu.

Disruptive Behavior – Roller blades, roller shoes, roller skates, skateboards, scooters, bicycles and similar items may not be utilized onboard (except for mobility aids related to special needs, as approved by the ship's medical staff).

Gratuities – The automatic daily gratuity charged to the onboard SeaPass account is shared among the Dining Services staff, Stateroom Attendants and other Housekeeping Services crew who work to enhance the overall cruise experience. Guests who prepay their gratuities prior to boarding their cruise will not have a daily automatic gratuity charged onboard. Many of our guests wish to reward particularly exceptional service during their cruise with additional gratuities. Guests may do so by increasing the automatic gratuity amount on their SeaPass® onboard account at the Guest Services desk or with a cash gratuity at their discretion.

These guidelines cover a variety of areas, including but not limited to: •Smoking •Verbal abuse •Violent and/or unruly behavior •Excessive, offensive language •Possession of an illegal substance •Vandalism •Solicitation
If Royal Caribbean International determines that any guest is in violation of these guidelines, we may be forced to ask the offending party to leave the ship at the next available port of call. Helpful Health Information – Norovirus: With seasonal viruses appearing in the United States, Europe and around the world, Royal Caribbean International, working in conjunction with the Centers for Disease Control, has instituted enhanced cleaning procedures onboard all its ships. You will likely see some of these activities during your cruise vacation. Medical experts strongly suggest travelers pay close attention to washing their hands. The experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. Your cooperation and assistance with this matter would be greatly appreciated.

Important Health Information – Recently, there has been a world-wide increase in the number of cases of Dengue Fever. Dengue Fever is caused by a virus and is characterized by a high fever, severe headache and eye pain, chills, body and joint pains, nausea/vomiting and a transient rash. The disease is spread to people by the bite of an infected day-biting mosquito. There is no direct person-to-person spread of the illness. In order to reduce the risk of contracting any number of diseases spread by mosquito bite, including Dengue Fever, we urge you to take precautions to avoid mosquito bites by remaining in well screened or air conditioned areas when possible, by wearing light-colored clothing that adequately covers the arms and legs, and by applying insect repellent to both skin and clothing. Like you, we take all health issues seriously, and we hope this information is helpful to you.

Liberty Day Spa and Gym Classes – Any cancellations must be made 24 hours before the appointment to avoid a 50% charge.

Liquor/Tobacco Policy – Guests are not permitted to bring alcoholic beverages onboard; with the exception of boarding day when guests are permitted to bring onboard with them up to two (2) bottles of wine (which are subject to a corkage fee) per stateroom. Alcoholic beverages that are purchased from onboard shops or in ports of call (which must be presented to security upon re-boarding), will be secured by ship's personnel. Alcohol secured by ship's personnel will be returned to guests just prior to the conclusion of their cruise vacation. Guests who are under the permitted drinking age will not have alcohol returned to them.
