Welcome to St Kitts

Arrive: 8.00am

Back on board: 5.30pm

If you have ever dreamt of the classic Caribbean island, chances are it looked a lot like St. Kitts. You will recognise that mixture of deserted beaches, sleepy villages, lush rainforest greenery and sugarcane fields and maybe even the mini-mountain range with a dormant volcano in its midst. Yet the first thing you will see when you arrive is pretty much brand new. You can explore the back streets and impressively restored Georgian buildings of the capital, Basseterre. Independent since 1983, St. Kitts covers just 65 square miles but has its own World Heritage site: Brimstone Hill fortress. Another option for St. Kitts cruise visitors is a trip to sister island Nevis.

For further information about the sights and scenery, why not go along to Cyb@centre and visit one of the following websites:
